

## Photo Release Form

We like to keep you and the learning community informed about the happenings around the school and pictures are worth a thousand words! We send out newsletters every other month and we'd like to include photos of your child(ren) in his or her learning environment with your consent.

This form gives MLC permission to include pictures of your child(ren) taken here at school, on field trips and workdays etc. in our newsletters and website. Newsletters are sent only to enrolled families via email with a couple hard copies posted around the school.

We also try to keep our website up-to-date with new photos of our students hard at work and play. No names will be using on the website.

This permission form lasts for the duration of your child(ren)'s time here at MLC or until you request otherwise.

Please let us know your position on this below. Check the correct box and then please sign your name.

- You may use photos of my child(ren) on both website and newsletters
- You may use photos of my child(ren) only on the website
- You may use photos of my child(ren) only in newsletters
- You may not use any photos of my child(ren)
